- Targeted Radioisotope Therapy (TRT) - (Chart Review)

Acknowledgment of Applicant

I have requested only those privileges for which, by education, training, current experience and demonstrated performance, I am qualified to perform, and that I wish to exercise at Stanford Hospital & Clinics. I also acknowledge that my professional malpractice insurance extends to all privilege I have requested.

I acknowledge I have met the minimum number of cases required as identified for privileges.

I understand that in exercising any clinical privileges granted, I am constrained by hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.

By clicking on the "Submit" button below, I have electronically signed, dated and submitted this privilege request _____ Date

Service Chief Recommendation - Privileges

I have reviewed the requested clinical privileges and supporting documentation and make the following recommendation(s):

Privilege	Condition/Modification/Deletion/Explanation

Service Chief Recommendation - Proctoring Requirements

Service Chief/Designee - By clicking on the 'Submit' button below, I have electronically signed, dated and approved this privilege request _____ Date _____
